Thank you, Matt.

Would you mind for me to post this e-mail string in Docket 2022-17-E, or would you prefer to write us a two-sentence letter repeating the below information, such that Staff and the Commission will have access to that information in the process of considering Dominion's request?

I have confirmed that the original contract (E7008010) and the two prior amendments to that contract did not require Commission approval as the rate was the Commission approved tariff rate.

Matt,

Thank you for that information and clarification. If you wouldn't mind double-checking the Contract E7008010 and its two prior amendments as you indicated, a definite answer on that point may well prevent any delay in the matter of the Third Amendment being considered.

Thanks again,

~Jo

Jo:

Thank you for your email.

For clarity, the Second Amendment (to separate Contract E7016018) has not yet been approved. We are seeking approval in this docket. The underlying Contract E7016018 was approved by Order No. 2017-48 in Docket No. 2016-414-E.

With respect to the Third Amendment (to separate Contract E7008010), I am unaware of any prior Commission action on that contract or prior amendments. This is not unusual - there would not have been any need to seek Commission approval of the prior contract and amendments if the rate to be paid by MBV was a tariff rate under that contract. There have been other filings with the PSC where approval of an amendment to the contract was necessary even though approval of the original contract was not. I will double check our contractual documents to be sure that is the case.

Mr. Gissendanner, good morning ~

In assisting the Clerk's Office with your filing of January 6, 2022, related to (1) a contract and (2) amendments to two other separate contracts, I find some further clarification necessary. Please see [Detail for 2022-17-E \(sc.gov\)](#).

While all three referenced contracts are between Dominion/SCE&G and Mercedes-Benz, it appears the filing of the first document (Contract E7021048) would rightly be given a new docket number, of course (2022-17-E). By your letter's reference, the Second Amendment (to separate Contract

E7016018) was approved by Order 2017-48 in Docket 2016-414-E. However, your letter does not reference and I can find no prior order or docket related to the Third Amendment (to another separate Contract E7008010), and I hope you can give us some clarification on the prior filing and approval of that Contract (and its First and Second Amendments), such that we will have this current Third Amendment filed properly.

Of course, if I'm seeming to misunderstand the filing in some respect that explains my confusion, please advise.

Thank you most sincerely for your attention and assistance in this matter.

Best regards,

Jo
